

**ENFIELD BOARD OF EDUCATION  
CURRICULUM COMMITTEE MEETING MINUTES  
February 21, 2018**

The February 21, 2018 Curriculum Committee meeting was called to order by Tim Neville 6:10 PM.

**Present:** Tim Neville, Sarah Hernandez and Ashley Depeau  
**Absent:** None  
**Also Present:** Michelle Middleton  
**Audience:** None

**Comparison of AP courses offered at other High Schools within our DRG**

Ms. Middleton shared with the committee a chart showing the number of AP courses at high schools within our DRG. Two communities, Bristol and Hamden, currently offer 20 AP options. EHS will offer 19 AP options in the 2018-2019 school year. She explained that some of the Programs of Studies for other districts had not yet been updated to 2018-2019, so these numbers may change. Ms. Middleton will conduct another audit in the spring.

Committee members asked Ms. Middleton to find out how many students were in these schools and the percentage that were taking AP courses. She will gather this information and present it to the committee at a later date.

Committee members asked M. Middleton to provide a chart of the state-mandated testing, including the names of assessments, which age groups are involved, and the time-frame within which these assessments are administered. Ms. Middleton will provide Mr. Neville with a copy of the state's chart. She also stated that letters will be sent home to parents of students taking these assessments both by the district and the schools with additional information.

Committee members asked for additional information on the opportunities within the different pathways offered at the high school. This information will be brought to the committee in March.

**Items from the Table** - None

**Adjournment** – The meeting was adjourned at 7:25 PM.

Respectfully submitted,

Michelle Middleton  
Chief Academic Officer
