Re: Discussion & Action regarding the MacBook Air Laptop Purchase

Enfield Public Schools are partnering with Apple Computers to provide MacBook Air Laptops for every teacher in the district. The current computers are 5 years old and were used during the Pandemic. The current computers use had to be extended from the normal 4 years to 5 years to accommodate the needs as supply chains were negatively impacted. The new Apple laptops will provide a cohesive technology advantage for teachers and students alike. The computers will be wirelessly integrated to the schools Wi-Fi and the classroom Smart TV's running the Apple TV through a secured connection. The computers will be on a 4-year Zero percent lease with Apple Financial Services, allowing for the devices to be paid over four years (\$216,790/year) at zero interest instead of a lump sum (\$867,160). Funding has been approved for the Fiscal Year 2024.

Therefore, the Enfield Board of Education may take any action(s) deemed appropriate regarding approving the MacBook Air Laptop Purchase.
